EMAIL NOTICE TO PLAYERS TUESDAY, 27 SEPTEMBER 2011

Dear Mercedes-Benz Japan Cup Participant,

This email provides you detailed information regarding the Mercedes-Benz Japan Cup on Friday, September 30. Please read through this mail carefully and be well prepared for the event.

1. Participants Guide
This package includes general information, instructions how to get to the course, a map, rules, play groups, and much more. The guide is in pdf format and as the file is rather big (2.4 MB), please download it here:
http://www.dufy.com/pdf/MBJ_Cup-website2011.pdf

If you have problems to download the guide, please email me. We have also put this information on our web site at <http://www.dufy.com/players>, go to the new section "Info to Players". The web site always has latest information.

2. Groups
The groups in the guide might still change due to cancellations, so please check your group when you arrive at the course. The tournaments were developed by taking a number of factors into account. Therefore changes are very difficult to make and the MBJ Cup taskforce requests that all players accept these arrangements.

3. Cancellations
If you for some reason have to withdraw, make sure to notify us. Please do so by replying to this mail. NOTE: We will leave for preparations at the course on Thursday, 29 September, at 12:00. If you need to cancel, or have some question after that, do not email us, please call: 050-2219-0636 (Club).

4. Bus transportation
If you are not sure if you have registered for the bus, please check the last column next to your name in the participants list on the web site. The bus ride is free.

The bus departs from in front of the ACCJ OFFICE AT EXACTLY 6:10 AM, boarding starts at 6:00 AM. The bus will then depart Atsugi Kokusai C.C. at 5:30 PM following the party and awards ceremony. The bus has space for your clubs. A map to the ACCJ office is available on our web site (Info to Players).

If you want to ride the bus and are not yet registered, go to: <http://www.dufy.com/players>. Note 1: Registration for the bus is necessary. Sorry we will not be able to accommodate walk-ons. Note 2: The deadline for bus reservations or cancellations is Wednesday, September 28.

5. Check-in and check out
When you arrive at the club, go to the registration desk for your team (marked with respective team flags) in the club lobby. At the check-in, you will receive your locker number, a Pocket Guide which includes instructions, rules, groups and a course guide as well as the Official Scorecard.

After play, please pay the participation fee of 21,000 yen to the club's front desk in the lobby. Note that all of what you eat (except breakfast) and most of what you drink (water, soft drinks, beer) are included in the fee. Special orders outside of what is provided will be charged to you. At the party there will be one counter for free drinks and a Cash Bar for drinks not included in the fee (e.g. wine, liquor). At the Cash Bar you can also charge to your account if you have not already checked-out.

General Comments

- Another awesome year!! Actually one of the best so far:) Was a challenge playing with the trees down, but the rules were fair with this as well. Had an excellent Caddy and great members in our 4some.
- Congrats to organizers, altogether well done.
- Congratulation NA-CAN! Great work / result by the organizers! Don't take the 10th anniversary of the M-B-Cup away from AKCC = they deserve that special cup!
- First of all; well done to the Task Force! You guys are the best and we, the players, are very lucky to have you. Thanks! Other than that, what a day's golf? The broad grins and happy smiling faces said it all. And I noticed that the ideal conditions allowed several golfers to leave the course with personal bests. Myself included.
- A wonderful day. Wouldn't miss it for the world next year.
- For the past 2 years I have played with no one but Japanese. That's OK but nex year I would like to play with EU players. Thank you!
- I liked the colored (red and blue) baseball caps to distingish the teams. This should be kept for future events.
- I think it is good to go back to Atsugi for the 10th anniversary, After that changes could be considered. I think a weekday is better so more can be re-routed for charity. Not all pictures taken are displayed in gallery. Any place to see them?
- It was a fabulous day. For each can of beer consumed on the course, a credit on the handicap should be given - hic! Thanks to all!!
- It was great to participate at this event with so many people and my sincere appreciation to the organization as everything went so perfectly well!!

- Overall a very good event. Looks like it returning to the days of old. Good to see how many sponsors there were this year. I hope we can help make 10th anniversary a really great event.

- Maybe I am not familiar with the handicap system but prefer to play according to my real handicap instead peoria Maybe it is time to switch courses to change it up a bit.

Proposed other courses: A more challanging and nicer course; Higashi Chiba C.c., or somewhere in Chiba. Heavy trafyc out west is always a problem coming home; Lake Wood CC ; Lakewood CC or Gotemba CC ; Play the other (West) course which is better.; Taiheiy course

- Picking up of prices for Top 30(?) players took too long. Also, the rule that you can come only for one prize, was not clear. After the top 10 interest was fading.

- At the party, I would like to put the board which is shown player number like 9A to expand business network smoothly.
- Better prizes such as free rounds, lessons with golf pros, discounts on equipment. - some fun mini contests along the course such as putting with a driver/with your opposite hand on a putting mat. Or playing near pin against a young amateur golfer/pro.

- Mercedes-Benz give away a prize, not a test drive. More prestigious prize for golf winners, less smaller prizes. more prizes to be given, more ladies participation.
- Have some real great prizes, i.e. golf coaching clinic, access to top courses in the region, etc. etc. tickets to sports events.
- Get a US co-sponsor again. Also, a change in venue could be reinvigorating Giving out more prizes. Special discounts on Mercedes cars! Inviting Japanese pro golfers to give special lessons or to play together.
- Have a Ryder Cup player (former or present) in the room or hitting balls on the driving range or putting green. Give Yen 1000 to charity and you can actually drive the SL (or any other Benz of your choice) one round on the parking lot. Driving simulator on the premise. Give picture collection book covering last 10 years to everybody.
- How about some special event at the end of the competition. You might consider offering three events and each player can select to participate in only one of them. The three events could be longest drive, nearest the pin and a putting competition from 45 ft. The winner of each event wins a prize/trophy.
- If technically possible, competition (or prize setting) among players of the same age range would be interesting; eg category 1- under 50 Y, category 2- 50Y to 65Y and category 3- over 65Y.
